Walking in the Footsteps of Jesus

Catholic Schools Week

Trinity Catholic Academy will be celebrating National Catholic Schools Week from January 31st through February 6th. Catholic Schools Week celebrations have become a tradition since its beginning in 1974. As you know, it is important to recognize the role that Catholic schools play in providing an education that emphasizes not only academics, but also spiritual, moral, and social values to over 2.5 million students in the United States.

This year "Walking in the Footsteps of Jesus" will be our theme. Our week begins with a Mass at Christ the King Parish at 10:00 a.m. Students from the Upper Campus will be reading at Mass and the Grade 4 choir will provide the music. During that Mass our students will continue to pray for the victims and families of the earthquake in Haiti. After Mass there will be an Open House for families and parishioners who wish to visit the school. Students will bring a footprint to Mass with one thing that they could do to follow in Jesus' footsteps. Footprints will be put in a basket when children arrive at church. Students are expected to wear their TCA uniform to Mass.

During the week students will write essays about how they can follow in Jesus' footsteps, and listen to many Catholic adults explain how they try to walk in Jesus' footsteps. There are many additional activities planned. Both the Upper and Lower Campus will join together for a prayer service on Thursday, February 5th at the Upper Campus.
