Preschool

Three year old program

At Trinity Catholic Academy we have implemented a comprehensive early literacy program designed to meet the needs of three year olds. The half day and full day program maintain a consistent but daily flexible schedule. The schedule was designed with respect for the chronological age, stage of growth and development, attention span, social, emotional and cognitive needs of the children.

TCA Early Childhood Programs Philosophy

Our philosophy is guided by the belief that all children deserve an enriched preschool experience

Students will...

- Be nurtured in a safe and secure environment
- Develop a positive belief that they are worthy of love and respect as God's children
- Be encouraged to be life long learners
- Develop their creativity and imagination
- Develop a respect and sensitivity for all living things
- Develop a sense of self - control
- Participate in physical education, music, art and outdoor play

Our Staff will...

- Provide a learning environment to enhance each child's development
- Maintain a safe and healthy environment
- Treat each child as an individual
- Encourage each child's independence and self-control
- Provide opportunities for children to take responsibility

Pre-kindergarten

Four year old program

Our Pre-kindergarten has a new integrated curriculum that includes literature, writing, math, science and social science.

Students will...

- Observe and learn appropriate ways of interacting in a group
- Enhance skills to actively participate in class discussions
- Develop a large and rich vocabulary to prepare them for academic success
- Engage in concept related play
- Visit the school library on a weekly basis
- Listen to, identify, and manipulate language sounds to develop auditory discrimination and phonemic awareness
- Participate in physical education, music, art and outdoor play

Trinity Catholic Academy ...

- Provides, in partnership with Good Samaritan Medical Center, a full time nurse on campus at all times. In addition, we partner with Regis College's Nurse Practitioner training program and have nurse practitioners on campus.
- Partners with Stonehill College for faith formation and education interns.
- Offers extended day program 6:30 a.m. to 6:00 p.m. (fee based)

Kindergarten

Five year old program

At Trinity Catholic Academy we follow the Massachusetts Educational Frameworks and are aligned with CORE standards.

Students will...

- Learn in a highly structured environment with an excellent academic program emphasizing math and language arts
- Be evaluated on a daily basis to identify and assist struggling students immediately
- Participate in Social Studies and Science activities including an outdoor classroom
- Visit the school library on a weekly basis
- Explore technology through our computer lab
- Be assessed using DIBELS (Dynamic Indicators of Basic Literacy Skills)-which measure literacy skills
- Be part of the Home Parent Reading Connection which encourages parent and child to read together
- Participate in physical education , music, art and outdoor play
