Cutting –Edge Technology

Competitive Sports Teams

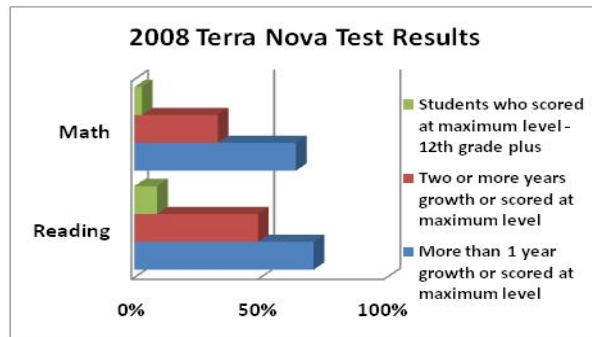

## Terra Nova Testing

The Boston Archdiocesan Terra Nova Testing results demonstrate that Trinity Academy is highly successful. This national standardized test measures academic growth.

At Trinity, students made tremendous growth in all areas, notably in reading and mathematics. Over 90% of the students tested showed growth, or were at or above grade level.

In reading 71% of students made more than a year's growth and in math 64% also made more than a year's growth. Additionally, 49% of the students in reading and 33% in math made two or more years of growth. Several students reached the maximum level of twelfth grade plus.

## Awards

- ◆ New England Math League 2009 - Grade 7 student, 3rd place winner in Plymouth County
- ◆ Little Red School House 2008 - Grade 6, 3rd place winner; Grade 7, 2nd place winner; and Grade 8, 2nd place winner
- ◆ Brockton Holiday Parade - Best Band Presentation, 1st place
- ◆ South Shore Parochial School League - Boys Senior Basketball, 1st place
- ◆ St. John's Invitational Tournament, 2nd place

## Community Partnerships

Fr. Thomas Looney, CSC, from Stonehill College speaks with students during Catholic Schools Week.

Trinity Catholic Academy is partnered with Stonehill College for student and staff faith formation. Interns from the college work with students in classrooms at the upper campus. Stonehill students also provide hands-on science activities at the lower campus.

Trinity also partners with Good Samaritan Hospital. The hospital provides the school nurse, community out-reach, and AED/CPR training.

Our students are encouraged to participate in giving back to their communities. Throughout the year students participate in numerous community service projects.
