

MAKE WAY FOR DUCKLINGS

Tuesday, May 12, 2009

On Tuesday, May 12th, Trinity Catholic Academy, Lower Campus, celebrated “Make Way for Ducklings Day.” The curriculum link was Science, Literature and Social Studies. We raised ducklings from birth and had them waddle down the halls and visit each class. A Science lesson was taught on the life cycle, growth and care of these ducks. *Make Way for Ducklings* by Robert McCloskey, a 1942 Caldecott Award winning book, was read to each class followed by a discussion of the Boston Public Gardens and the various locations in Boston that are depicted in the award winning piece of literature. *Make Way for Ducklings* is the official book of the state of Massachusetts! Learning can be so much fun!!!

Duck

Duck in the water, quack, quack,
quack!

Soft, white feathers on your
back, back, back!

Duck in the water, splash and
splash!

Dip in your bill and catch those
fish!

Duck out of water, walk on land.
Your webbed feet make it hard
to stand!

Waddle with your family, waddle
in a pack.

Duck out of water, quack,
quack, quack!

Meish Goldish
